Re: Public Records Act Request: Intern Teachers

Dear Ms. Kini:

Enclosed please find the list of intern teachers within the West Contra Costa Unified School District ("District") that are currently teaching on an intern credential. Please note that this list is not a "complete" list but is nearly complete. The District is in the process of determining whether another list exists for intern teachers working in special education positions. The District will forward the list to you should one exists. Further, please note the District does not have any other documents that are responsive to your request under the Public Records Act.

Please feel free to call if you have any further questions or concerns.

Sincerely,

LOZANO SMITH
